D.O. No.
A2-302-26-27

Dated Tumkur, the ...ebruary 1927.

R. A 38-26-1.

Dear Sir,

I beg to bring to your kind notice that Mr. [illegible] Krishna Rao, the non-official President of the Tumkur Town Municipal Council, who is the polling officer for the election of a member to the Representative Assembly, having written to me that as he stands as a candidate for election to the Legislative Council, some one else may be appointed as the polling officer, I have replied him that it is not possible to do so under the rules. According to the existing orders para 2, D. Urban Constituencies of Government Order No. P.3300-Le 12-23 6 dated 7th November 1923, the President, or the Vice-President of the Chief Officer shall be the polling officer for an Urban area. In the case of the Tumkur Town Municipality, the Vice-President, Mr. T. [illegible] Chandrasekhariah has stood as a candidate for election to the Representative Assembly and the Chief Officer being, there is no alternative but for the President being appointed as polling officer. I consider that it is desirable that in such cases some discretion is given to the Deputy Commissioner to appoint any other officer when the services of none of the three are available. The words "or other officer as the Deputy Commissioner may appoint" may be added after the words "Chief Officer". If the Government be agreeable to any one of the above proposals, necessary action will be taken in the present case.

Yours sincerely,

S i r,

Under para 2 (B. Urban constituencies) of Government order No. P. 2399- Legis 12-23-6 dated 7th November 1923, the President or the Vice-president or the Chief Officer shall be the Polling officer. The Vice-President is a candidate for election to the Representative Assembly ; I myself a candidate for election to the Legislative Council and there is no cheif officer. That the rule cannot be strictly construed can be seen from the fact that if both were candidates, some other arrangements had to be made.. As a candidate for election , it is undersirable that I should be the Polling officer either for the Representative Assembly or the Legislative Council . More over, it would be a sort of haddicap to the candidate. Under the circumstances, I request that early orders of Government may kindly be obtained empowering the Deputy Commissioner to appoint some other officer as the Polling officer for the Tumkur Town Urban area(Representative Assembly.)
